## **Live As Children of Light**

**Dear Readers,**

In Chapter 5 and the last part of verse 8 of the book of Ephesians it says: "Live as children of light." These words of the apostle are a word from the Lord for today.

**LIVE:** We are called to truly live. Often we merely exist. We are called to more than that. Auntie Mame had something—"Live, live."

**CHILDREN:** We may be all grown up, but we are children. Not that we are little or even childlike, but we are God's children. We are made and held in the being of God. God's spirit supports you and holds you.

**LIGHT:** We are to dwell in the light. Look to be in those places—both physically and mentally—that are filled with light. See the presence of God in that which is around you and allow the light of hope and love to shine from your whole self.

May your day and life be an abundant living as a child of light.

Blessings,
